

Daily Dairy Goat Care

AM:

Clean all pens & bottom of hay feeders

Give hay (each feeder) – 1 flake Timothy, 1/2 flake Peanut (3 flakes total)

Give water – Give fresh water in all buckets (dump and refill)

Give grain – use the chart for AM grain

Before you leave – ensure that all feed is closed, tack area gate is locked, shed door is closed and goat pens/gates/shed are secure.

When finished – send GROUPME message with pictures
